Executive Director's Reflections

Friends,

If you are like me, you are shocked each time you look at the calendar. It doesn't just seem as if a mere moment has passed, but unbelievably we are nearly half complete with 2021! With the numerous times we all stated we couldn't wait to get out of 2020, being six-months removed simply doesn't seem possible. While it is easy to understand the logistics, seconds become minutes, minutes become hours, etc., why is it that what feels like a blink of an eye compounds and amounts to days and months of time?

For many in Ag. Ed., the summer carries many of these fond memories and reflections – grooming livestock to show at the county or state fair, selecting just the right photo angle or the perfect vegetable, connecting with friends on chapter retreats or at the Summer Agricultural Education Conference.

As we blast through the summer, thank you for helping FFA, PAS, IAAE and Alumni member's memories possible. Because of your support, their life will be filled with the "little" things that matter most!

Sincerely,

Josh

Iowa FFA Alumni Seeking Iowa State Fair Volunteers

After a year away, the Iowa State Fair is quickly approaching. The Iowa FFA Alumni & Supporters are looking for volunteers to man the booth in the Agriculture Building visiting with fairgoers and to work in the Supply Booth in the FFA Display Building.

All volunteers will receive admission into the fair for the day and there are a number of shifts available. Alumni chapters who

would like to work for an entire day, please contact your district representatives for information on a special promotion by the Iowa FFA Alumni & Supporters that will benefit your chapter!

You can sign up to work a shift, or if your group would like to cover an entire day you can do that as well! It's a great way to spend some time at the Fair while helping to support Agricultural Education in Iowa. To sign up [click here](#).
